come within the purview of the C&R rules. The remaining 5 officials are appointed in the Superior Establishment and it is admitted by the Commissioner that they are so appointed without reference to rules. As they have put in more than 7 years of service. Some of them do not possess the qualification required. It is not known under what circumstances they were appointed without reference to rules and by whom. However it would be a great hardship, if their services are terminated. Therefore the recommendation of the Commissioner may be approved. Subject to the condition that the appointments of 3 Brahmin officials count against the 3 future general vacancies and of the 2 NB officials against 2 future special vacancies.
